As a member, you will have access to discounts on most FDA-approved prescription drugs. This program is designed to save you money on all your prescription drug costs at over 53,000 participating pharmacies throughout the United States, including most community drug stores.

How to access your discounts:

Simply present your MWG RX Plan discount card to the pharmacist. The pharmacist will enter your member information (as provided on the card) into their system and the discount will be automatically calculated and applied to your transaction.
